Your dreams light up
You feel real tired
You know you're in for a tough night

As you fumble with the gate
The car's got a flat
Should've left a spare under the mat

Are you sucking on a lemon?
Are you sucking on a straw?
When you wake up feeling older
Like you couldn't have done anymore
Does it break the bonds of anything
In a bind?
Are you sucking on a lemon?
Or a lime?

Your Mum and Dad
See you at the club
They cramp your style
Your cred's nipped in the bud

Will they exit while they can?
Or end up playing..
Pool with the band

Are you sucking on a lemon?
Are you sucking on a straw?
When you wake up feeling older
Like you couldn't have done anymore
Does it break the bonds of anything
In a bind?
Are you sucking on a lemon?
Or a lime?

Ooh, it's where I want to be..
Ooh, milkshake in front of me..
Ooh, it's about time..
Lemon or a lime?

Are you sucking on a lemon?

Are you sucking on a straw?
When you wake up feeling older
Like you couldn't have done anymore
Does it break the bonds of anything
In a bind?
Are you sucking on a lemon?
Or a lime?

Are you sucking on a lemon?
Or a lime?
