Covered in leather, or plaid patches, or metal studs  
Your hair is dyed or spiked with glue  
You only talk to those who look and act the way you do  
Cause you think you're so fuckin' cool

Punk. Punk. Punk.  
Punk by the book.

You say that punk to you is what's in your mind not what  
you  
wear, but you know you're so full of shit  
You scoff at how the cops treat you, but they're no  
worse than  
dicks like you! I just can't understand what you're  
thinking.

Punk Punk Punk.  
Punk by the book.

You're punk by the book...HEY! HEY!  
You're punk by the book! Book!
