[Chorus] - 2X

[B.G.]

Where my bitch at? Look..

A hot girl is a silent hoe

If a bitch get outta line she a violent hoe

Ain't no pest, far from being a whinin hoe

Fuck up she confess, she ain't no lyin hoe

That's what I need, a hot girl is a jazzy bitch

I'd take her any day 'fore a classy bitch

On the down low for her nigga she a nasty bitch

I tell her touch it, she gon' reach down and grab the
dick

I bust a nut, get soft, she get it back hard

The police kick in the do' she takes the charge

If a nigga go to jail she run for her nigga

Money orders, business and front ones for her nigga

She hear a nigga ballin, work that body for her nigga

Let me come through, hit the stash, and rock up out a
nigga

I can't see no other bitch for the B.G.

but a hot girl fo' short call her a H.G. (a hot girl)

[Chorus] - 2X

[Turk]

I like 'em hot, the ones that don't tell me to stop

Eat dick swallow the cum, and they know how to pop

I need a project bitch, a hoodrat bitch

One that don't give a fuck and say she took that dick

[Lil Wayne]

She a doggy wit it

She could wobbledee then she know how to money wit
it

Open her legs and squeeze a nigga like she want me in
it

Now turn around and back it up

Then throw it at a nigga til I say "Ooh that's enough"

[Turk]

Give me a gansta hoe

One that don't give a fuck and that'll shank a hoe

Ine that'll slang still, and keep it on the low

One that'll do time for me, and say fuck the po'

Dog you know

[Lil Wayne]

Now Lil' shorty in the twat have it hurtin and thumpin

They be like say, "He small girl he workin wit somethin"

I'm Lil Wayne on fire, I'll smash on your boo
I got a Hot Girl bangin, what's the matter with you?

[Chorus] - 2X

[B.G.]

Ya understand? Look

That's a motherfuckin Hot Boys definition of a
motherfuckin Hot Girl

Do you dig what I'm saying? It's all gravy

If you think you fit the description, then come on get
