You've heard the story of jesse james
Of how he lived and died
If you're still in need of something to read and find
Here's the story of bonnie & clyde.

It is
Clyde had a petite amie
She's beautiful her name is bonnie
Together they had left the st? ? arrow
The gang to b.parker and c.barrow

Bonnie and clyde
Bonnie and clyde

I've known clyde since he was young and care free
He was always ? ? and bright and clean
For he must see the ? ? society
Who drove me to a life of crime and misery

Bonnie and clyde
Bonnie and clyde

The newspapers ...
They said we play for cold bloody pleasure
That's not true but
To shot first and ask the questions later

Bonnie and clyde
Bonnie and clyde

If a ... killed in ...
And they have no suspect they can blame
For the police there's nothing mysterious
They hang on clyde barrow and his mistress

Bonnie and clyde
Bonnie and clyde

There's no to try to sit it down
To find a new house and quite down

By the third day there's a tac tac tac tac
Of machine gun who's making sneak attack

Bonnie and clyde
Bonnie and clyde

One of these days they will take enough
But I just hope that bonnie will survive
No I don't mind how they make me pay
Bonnie ... away

Bonnie and clyde
Bonnie and clyde

... that is no end
... to die

....

And they died bonnie parker and clyde barrow

Bonnie and clyde
Bonnie and clyde
