Daddy hold me
It seems so very dark tonight
And day
Daddy, I can't sleep
I need you to come and sing to me
That the stars up in the sky
Will shine down gently on the two of us tonight
And soon enough it will be light
We'll hold on tightly to each other, you and i
And I won't cry
Oh daddy, your baby is weak and calling out your name
Oh my daddy, oh don't leave me
I beg you, sing your song again
That the stars up in the sky
Will shine down gently on the two of us tonight
And soon enough it will be light
We'll hold on tightly to each other, you and i
And I won't cry or call your name
And I won't
And I won't...
