Threw my bad fortune
Off the top of
A tall building
I'd rather have done it with you

Your boy's smile
Five in the morning
Looked into your eyes
And I was really in love

In chinatown
Hung over
You showed me
Just what I could do

Talkin about
Time travel
And the meaning
And just what it was worth

And I feel like
Some bird of paradise
My bad fortune
Slipping away

And I feel the
Innocence of a child
Everybody has
Something good to say

Things I once thought
Unbelievable
In my life
Have all taken place

When we walked through
Little italy
I saw my reflection
Come right off your face

I paint pictures
To remember

You're too beautiful
To put it into words

Like a gypsy
You dance in circles
All around me
And all over the world

And I feel like
Some bird of paradise
My bad fortune
Slipping away

And I feel the
Innocence of a child
Everybody has
Something good to say

And I feel like
Some bird of paradise
My bad fortune
Slipping away

And I feel the
Innocence of a child
Everybody has
Something good to say

So I take my
Good fortune
And I fantasize
Of our leaving
Like some modern-day
Gypsy landslide
Like some modern-day
Bonnie and clyde

On the run again (on the run again)
On the run again (on the run again)
On the run again (on the run again)
On the run again (on the run again)
