Shooting sterilis hypo  
Sex machine drug  
24 hours  
Shoot Pauline between the legs  
96 tears to 24 hours  
Sex once an hour

Johnny hit and run Pauline  
Johnny hit and run Pauline  
Johnny hit and run Pauline  
Johnny hit and run Pauline

L.A. bust, doors open  
Kicking both doors open  
Arrested on 6th street  
That's when it (brought) drove our girl inside  
She was spreading her legs and didn't mind dying  
He was still awake

Johnny hit and run Pauline  
Johnny hit and run Pauline  
Johnny hit and run Pauline  
Johnny hit and run Pauline

He was waking up beside the bed  
Found clumps of hair  
At least Pauline wouldn't co-operate  
She was not what you'd call living  
He was still awake

Johnny hit and run Pauline  
Johnny hit and run Pauline  
Johnny hit and run Pauline  
Johnny hit and run Pauline
