I've been trying to show you over and over  
Look at these my child-bearing hips  
Look at these my ruby red ruby lips  
Look at these my work strong arms and  
You've got to see my bottle full of charm  
I lay it all at your feet  
You turn around and say back to me

He said  
Sheela-na-gig, sheela-na-gig  
You exhibitionist  
Sheela-na-gig, sheela-na-gig  
You exhibitionist

Gonna wash that man right out of my hair  
\*just like the first time he said he didn't care  
Gonna wash that man right out of my hair  
Heard it before, no more  
Gonna wash that man right out of my hair  
Turn the corner another one there  
Gonna wash that man right out of my hair  
Heard it before

He said  
Sheela-na-gig, sheela-na-gig  
You exhibitionist  
Sheela-na-gig, sheela-na-gig  
You exhibitionist

Put money in your idle hole  
Put money in your idle hole  
Gonna wash that man right out of my hair  
Just like the first time he said he didn't care  
Gonna wash that man right out of my hair  
Heard it before, no more  
Gonna take my hips to a man who cares  
Turn the corner another one there  
Gonna take my hips to a man who cares  
Heard it before

He said  
Sheela-na-gig, sheela-na-gig

You exhibitionist  
Sheela-na-gig, sheela-na-gig  
You exhibitionist

Put money in your idle hole  
Put money in your idle hole

He said "wash your breasts, I don't want to be unclean"  
He said "please take those dirty pillows away from me"

He said "wash your breasts, I don't want to be unclean"  
He said "please take those dirty pillows away from me"

He said "wash your breasts, I don't want to be unclean"  
He said "please take those dirty pillows away from me"

He said "wash your breasts, I don't want to be unclean"  
He said "please take those dirty pillows away from me"
