( music of the millennium awards )

I need a shot of love  
I need a shot of love.

Don't need a shot of heroin to kill my disease  
Don't need a shot of turpentine, to bring me to my  
knees  
Don't need a shot of codeine to help me to repent  
Don't need a shot of whiskey, help me to be president

I need a shot of love  
I need a shot of love

Doctor, can you hear me? I need some medicaid  
I seen the kingdoms of the world and it's making me  
feel afraid  
What I got ain't painful, it's just bound to kill me dead  
Like the men that followed jesus, they put a price upon  
his head

I need a shot of love  
I need a shot of love

I don't need no alibi when I'm spending time with you  
I've heard all of them rumors and you have heard em  
too  
Don't show me no picture show or give me no book to  
read  
It don't satisfy the hurt inside nor the habit that it feeds

I need a shot of love  
I need a shot of love

Why would I want to take your life?  
You've only murdered my father, raped his wife  
Tattooed my babies with a poison pen  
Mocked my god, humiliated my friends

I don't wanna be with nobody tonight, veronica ain't  
nowhere, mavis just ain't right  
There's a man that hates me, he's swift, smooth and

near

Am I supposed to set back and wait until he's here?

I need a shot of love

I need a shot of love
