(thom yorke)
Can you hear them
The helicopters
I'm in new york
No need for words now
We sit in silence
You look me
In the eye directly
You met me
I think it's wednesday
The evening
The mess we're in
And ooooh...

(pj harvey)
The city sunset over me
The city sunset over me

(thom yorke)
Night and day
I dream of
Making love
To you now baby
Love making
On screen
Impossible dream
And I have seen
The sunrise over the river
The freeway
Reminding of
This mess we're in
And ooooh...

(pj harvey)
The city sunset over me
The city sunset over me

(pj harvey)
The city sunset over me
The city sunset over me

(pj talking / thom singing...together)

What were you wanting / what was he wanted
I just wanna say
Don't ever change now baby
I'd thank you
I don't think we will meet again
And you must leave now
Before the sun rises
Above the skycrapers
And the city landscape comes into view
Swell on my skin
Oh
This mess we're in
Ooooh...

(pj harvey)
The city sunset over me
The city sunset over me
The city sunset over me
The city sunset over me
