Hey there luna I'd like to tell you
How sad am I so love sick I could die
Needing water my neck's stiff my head hurts
Been looking up all night been looking up the moon
she's so bright
She's so white she's so clean
I'm telling you she's everything
I'd give it all my sorry eyes
Give just everything she's got me so mesmerized
Yeah I wish I was yuri-g
It's just the things that she does to me
Yeah I wish I'd been yuri-g
She's fucked my memory
Told by the doctor to make a figure
Needles to get her she'll be your luna
I stuck them in real clean
I stuck them in a mile
I drew her down on me
I drew her with a smile
I'd give it all you see
I'd give my sorry eyes
I'd give just everything she's got me so mesmerized
Yeah I wish I was yuri-g
It's just the things that she does to me
Yeah I wish I was yuri-g
She's fucked my memory
I stuck them in real clean
I stuck them in a mile
I drew her down on me
I drew her with a smile
I'd give it all you see
I'd give my sorry eyes
I'd give just everything she's got me so mesmerized
Yeah I wish I was yuri-g
It's just the things that she does to me
Yeah I thought I was yuri-g
She's fucked my memory
Yeah I wish I be yuri-g
I'd let her walk all over me
Yeah I thought I was yuri-g
She's fucked my memory x4
