Who knows

How long

I've loved you

You know

I love you still

Will I wait

A lonely lifetime

If you want me

To I will

For if I

Ever saw you

I didn't catch

Your name

But it never

Really mattered

I will always

Feel the same

Love you forever

And forever

Love you

With all my heart

Love you whenever

We're together

Love you

When we're apart

And when at last

I find you

Your song

Will fill the air

Sing it loud

So I can hear you

Make it easy

To be near you

For the things

You do

Endear you to me

You know I will

I will
