Out there in the yard now playing with their dad.
Im amazed at how alike you are.
See now the strangeness because I feel so many things
all at once,
its wonderful to see.
The smiles are everywhere,
the colds gone from the air the sun shines as they play
my smile wont wipe away.
Theyre laughing at you,
everything that you do.
You open your arms to them,
they run in to tackle you
its so good to see you now,
and times been good to you,
it just so amazing,
your smile is shining through.
Amazing how life can turn one day to the next you
know.
Ill figure out where I am and figure which way to go.
