I like hanging with my friends.
Talkin' 'bout my BFF, Big Friends. Forever! (Whoo!)

I've got some gigantic friends. They are like
family.(Whoo-hoo)
I take them with me everywhere to put heat on my
enemies. (Whoo-hoo)
In my own defensive line, I call on the great wall of
mine! (Whoo-hoo)
Hang with them till dinnertime. At the smorgasbord we
don't wait in line!

And if you knew them like I do (I do),
Then you would see that you need a big friend too!
There's safety in numbers, and when your numbers are
this large, you could walk right through a fight cuz your
big friends aren't jerks!

I like hanging with my friends.
Talkin' 'bout my BFF, Big Friends. Forever!
I like hanging with my friends. (You know it!)
Talkin' 'bout my BFF, Big Friends. Forever!
Stand on their shoulders to get your cat out of a tree.
(whoo-hoo)
Use em as a beanbag chair when you're watching your
flat screen tv (Whoo-hoo!)
Crowds with me on the way to school,
Splash all the water out of my pool.(Whoo-hoo)
These jolly giants are never cruel.
All big people are really cool!

And if you knew them like I do (I do),
Then you would see that you need a big friend too!
Now they are a ton of fun, but they are closer to the
sun.
Their footsteps are so heavy, they get so hot, so hot
and sweaty!

I like hanging with my friends. (You know it!)
Talkin' 'bout my BFF, Big Friends. Forever! (X2)

Big friends are here today, big friends are here to stay,
Big friends don't go away, the get bigger, bigger
EVERYDAY! (YAY!)

New York! (Big Friends!)

LA! (Big Friends!)

UK! (Big Friends!)

All the islands! (Big friends!)

(Whoo!)

And the chipmunks are our little friends so don't step
on them!

I like hanging with my friends. (You know it!)

Talkin' 'bout my BFF (FOREVER!), Big Friends. Forever!

(X4)

FOREVER!
