In society, many dogs in many variations,
Come on, let's talk
Interesting facts that you can share
With people who really care
The powerful jaw
The hidden dewclaw
Some dogs talk on the telephone
Dogs can't sweat
Feed 'em some meat
Some dogs look before crossing the street

Canis Lupis:
The domestication of the dog
We all love dogs!
Canis Lupis:
Man's best friend for many centuries
Dogs are way sweet!

The scene is Egypt, long ago
Homeboy draws a dog with a pointy nose
Here's something you need to know:
Dogs need food and water
Or they will not grow
In your pool they swim fine
That's Incredible!
Amazing Canine!
If you're nice to a dog it will hang around
You can pick one up at the local pound!

Canis Lupis:
The domestication of the dog
We all love dogs!
Canis Lupis:
Man's best friend for many centuries
Dogs are way sweet!

If your dog is unhappy
He may run away
Through the sidegate
When you leave it open
And your dog will

Never come
Back home!

Canis Lupis:
The domestication of the dog
We all love dogs!
Canis Lupis:
Man's best friend for many centuries
Dogs are way sweet!
