- And do you know what the press and evreybody is gonna be asking?
- What?
- Who IS Danger Woman?!

If youve seen it once, youll see it again
I told everyone and all of my friends
Well there she is and shes at it again
And I think its all over and now
(Youre gonna get it!)

Shes hanging off the chopper
And no ones gonna stop her
Dont try and call the doctor
Cause shes jumpin around now
Handle bar standing
And flying over canyons
No hands on the landing
Now were rollin around on the ground

If you could just believe what you can not see
Well that may be, she may as well be
Well there she is and shes at it again
And I think its all over and now
(Youre gonna get it!)

Shes hanging off the chopper
And nothings gonna stop her
Dont even call the doctor
Cause shes jumpin around now
Handle bar standing
And flying over canyons
No hands on the landing
Now were rollin around on the ground

(I can hear her voice from miles away)
(Yo, ATL, wheres she at?)
(Yo, yo, where she at, where she at, yo)

Woah, shes flying around in her head
(Danger Woman!)
Woah, Punishing whats left of the WWF

If thats what you want
Thats what you get
You want Danger Woman
Thats what you want
Thats what you get
Thats what you want,
You want Danger Woman

Well shes fighting a crime
Thats all in her mind
At the Kareoke showdown
Don't try to understand her
The Phantom Highlander
The Songbird Avenger
Its Danger Woman!
