Everybody's free

Brother and sister
Together we'll make it through
Some day a spirit will lift you and take you there
I know you've been hurting but I've been there
Waiting to be there for you
And I'll be there just helping you out
Whenever I can

'Cause
Everybody's free to feel good x 2

We are a family that should stand together as one
Helping each other instead of just wasting time
Now is the moment to reach out to someone
It's all up to you
When everyone's sharing their hope
Then love will win through

'Cause
Everybody's free to feel good x 2
interval
Everybody's free to feel good
(repeat till fade)
