Hey Homies! (What's up?)
What was that? (Clap Clap)
We don't need no thugs, unless those thugs was giving
out hugs.
Hey Ladies! (What's up?)
What was that? (Say Whaat?)
We don't need no thugs, unless those thugs was giving
out hugs.
Here we go again my friends, wave your hands from
side to side (Whee!)
There's a roof we call the sky.
There's a special way to show that we care. Is there
anybody out there? (I'm there! Me too!)
I'm talkin' bout hugs. H-U-G-S HUGS!
Hey Homies! (What's up?)
What was that? (Clap Clap)
We don't need no thugs, unless those thugs was giving
out hugs.
Hey Ladies! (What's up?)
What was that? (Say whaat?)
We don't need no thugs, unless those thugs was giving
out hugs.
Ok, Ok. So where my ladies at? (Whatcha want? I'm
here!)
And where my dudes at? (Uuuuh... Here?)
Now sisters and brothers, let's turn and face each
other, and put your arms out nice and wide.
(ROCK THAT HUG!) From side to side!
(We be huggin'!) Now give a hug to the right!
(We be huggin'!) And give a hug to the left!
(We be huggin'!) Now 360 hug! (Wheeee!) And sing it
THUGS!
Hey Homies! (What's up?)
What was that? (Clap clap)
We don't need no thugs, unless those thugs was giving
out hugs.
