Look at you  
And if I wanted to,  
I could see someone in there  
Whod like to be the happiest clam on the beach

But look at you  
Youre the Angry Clown  
Trying to push all the kids around  
But theres a flying horse that could change that course

Hey Hey Hey!  
Hey Luno!  
Hey Hey Hey!  
Hey Luno!

Can he stop the enemy?  
-We only believe in what we see!  
But he can do it, you never know  
-But we dont know!

Hey Hey Hey!  
Hey Luno!  
Hey Hey Hey!  
Hey Luno!

Why cant you just call his name?  
Then Luno could come down  
And take you far away to the land of the same  
Then youll see how fun it is  
That flying horse is true  
And youre stuck in a world with people just as sad as  
you

Can he stop the enemy?  
-We only believe in what we see!  
But he can do it, you never know  
-But we dont know!

Just call his name  
And he will come  
The Flying Horse  
Luno

Hey Hey Hey!  
Hey Luno
