Permanecer Sentado!
Churro!

Tonight's the night baby
Let's go to the show
Spend some money honey?
Sure, I'll spend some dough
We got to the spot
I knew something was wrong
When she opened her mouth
To sing along

Whoa! Whoa!
Don't say it's true
Woah! Woah!
I don't know what to do
Woah! Woah!
It's such a waste, you know
I'm sorry baby, but I've got to go

[Chorus]
It's time to say goodbye
It's been real fun
I've got to run
I'll be real busy but
Maybe I'll call you later

Can I be honest with you?
I'll be real brief
You're such a beautiful girl,
But go brush your teeth!

[Chorus]

Iki ga kusakute
