I was hangin out with some friends of mine  
Down in Hollywood just a wastin time  
I knew right then nobody could get me down  
Cause I'm takin myself out on the town

Were gonna have a good time

I didn't think it could get much better than this  
And then Charlie said "I know a place"  
So I went inside that's when I saw her face  
And then I knew I was gonna have a good time

Were gonna have a good time

She was the finest thing that I ever did see  
I walked over to her just beggin' her please  
I said "Hey baby, Do you wanna go out with me"  
You wanna know what she said, she said

Were gonna have a good time
