If you were mine  
I'd give you all the world  
If you were mine  
I'd take you higher girl

But you got me waitin  
Oh you're so cold

Give me time  
Time is all we need  
God knows I've tried  
To get you close to me

Tonight when my eyes are closing  
You will be with me

Just let me be  
Let me believe you're mine  
'Cause there's nothing wrong here  
I'm just living in a dream

Without a sign  
You brought me to my knees  
Without a sign I crossed the line  
I beg for sleep

But tonight when my eyes are closing  
You will be with me

Just let me be  
Let me be me  
'Cause there's nothing wrong here  
I'm just living in a dream
