Up Up and down  
Up Up and down  
Move your booty all around  
That's what we do cause there's a party all around  
Come with us if you want to get down  
So let's go dance around  
Jump up and down  
Jump around  
(Please slow down)  
Up up down  
Give him a left hook and knock him down  
Up up and down  
All we like to do is jump around  
Up up and down  
Up up and down  
Show me the triple crown  
Cause you're about to hit the ground  
Up up and down  
Up up and down  
Let's move around  
Cause all you're going to do is  
Fall to the ground  
(1,2,3,4,5,6,7,8,9,10)  
Up up and down  
Up up and down  
Up up and down  
Let's go to another town  
And party all around  
I said up up and down  
Up up and down  
I said move all around  
Jump Jump Jump  
Up up and down  
Try not to make a frown  
Please hand me a golden crown  
Then on the throne, I will sit down  
Up up and down  
Up up and down  
Be careful, you might get knocked down  
Up up and down  
Up up and down  
(Peace Out)
