Once I was a mighty king,
with a crown of mercury,
but I was poisoned by a sting,
from a gianth golden bee.

I used to walk on water,
invincible and stout,
like the man without a mother,
who never came about.

Why don't you believe me..
Why don't you believe me..
Why don't you believe me..
Why don't you believe me..

I used to be the vise man,,
who knew it all by heart,
high above the mountain,
I used to tell you about the art.

I would speek my whole heart,
without beeing condemned,
I would take my whole time,
I had a whole time to spend.

Why don't you believe me..
Why don't you believe me..
Why don't you believe me..
Why don't you believe me..

Why don't you believe me..
Why don't you believe me..
Why don't you believe me..
Why don't you believe me..
