It's great to be a Nerd, It's great to be a Nerd,  
The only light we ever see is from our monitor

We argue about comic books and Internet connections  
The biggest highlight of the year is the Star Trek  
Convention  
Our Town's not big enough to sign up any stars  
But we once met a red shirt who was phased by a Borg

It's great to be a Nerd, It's great to be a Nerd,  
We wear our Star Trek uniforms and talk like Captain  
Kirk

We have our own heroes, who we try to emulate,  
I dream of one day being as sexy as Bill Gates  
We hate watching sports cause were reading Carl  
Sagan  
But we'd watch the Olympics if they played Dungeons  
and Dragons

I'm A hobbit

It's great to be a Nerd, It's great to be a Nerd,  
We think Tolkien was a genius and Shakespeare was a  
turd

We rarely get a date, or get talked to by a girl  
Unless they're having trouble with their Algebra  
homework  
Were emotionally bereft and sexually frustrated  
But we can download photographs of agent Scully  
naked

(Nerdish Laugh)

It's great to be a Nerd, It's great to be a Nerd,  
We know the truth is out there but we'd have to leave  
our rooms

We are the nerds in your neighborhood  
Polyesters a fashion statement

But theres more room on the beach for you  
Cause were locked in our basement

It's great to be a Nerd, It's great to be a Nerd,  
We like to wear colors that do not appear in nature

It's great to be a poorly dressed  
Fashionless  
Star Treking  
Role Playing  
90 Pound  
When Wet Down  
Pasty Skin  
Pop Drinking  
Underfed Genius  
Yes, It's great to be a Nerd,
