I once was a happy man  
Of sound and stable mind  
Then my neighbour got a dog  
He put a ribbon on its head  
To make it cute  
But it still looked like  
A Chihuahua

He had me over  
To watch it sit and beg  
It bit my knee  
And made love to my leg  
Now it barks all the night  
And all of the day  
Whenever it's not peeing on my lawn

I didn't get to sleep last night  
Till very late  
The stupid dog barked  
And grrred  
I got up late  
And ran to catch the bus  
But I slipped on a turd

I was certain  
It wasn't one of mine  
That that dog  
Had crossed over the line  
I wanted to exterminate  
It and all its kind  
From my lovely little suburb

I'm gonna kill the dog next door  
Ain't gonna bark anymore  
'Cause this is judgment day  
The little runt has got to pay  
No more turds on my lawn  
That stupid mutt will soon be gone  
I'm gonna kill kill kill  
Kill kill kill kill that dog

I see the little monster  
In my garden  
So I grab an axe and off I go  
And I try my best to get it  
All I do is sever my big toe  
My neighbour comes  
Outside to calm me  
He says his dog and me  
Should just be friends  
He puts his little pet  
In my forgiving hands

THEN it starts to bite  
So I strangle it with all my might  
Oh oh oh oh ohhhhh

I'm gonna kill the dog next door  
Ain't gonna bark anymore  
'Cause this is judgment day  
The little runt has got to pay  
No more turds on my lawn  
That stupid mutt will soon be gone  
I'm gonna kill kill kill  
Kill kill kill kill that dog

Now the stupid mutt's  
In doggie heaven  
I strangled it to death  
And now I'm free  
But my trouble ain't  
Quite over  
My neighbour called  
The cops on me  
I end up at  
The police station  
Where I am told  
That I must pay  
A three hundred  
Dollar fine

(\*long pause\*)

WOW!!  
What a good value!  
I think I'll kill my neighbour too!  
Oh oh oh oh ohhhhh!

I'm gonna kill the guy next door  
Won't call the cops anymore  
I never liked him anyway  
Three hundred isn't much to pay!

There are turds on my lawn  
They must be his, his dog is gone  
I'm gonna kill kill kill kill kill kill kill  
Kill kill kill kill kill kill  
Kill kill kill kill kill that guy
