You double-clicked my heart
You've upgraded my life
You booted up my hard drive
Please be my cyber-wife
You've logged into my soul
You've downloaded my dreams
Let's go to my chat-room
And I'll show you what I mean

I wanna login to you
So I can prove my love is true
It's true I look quite stunning
But I've got a huge IQ
I wanna login to you
(Login to you)

The password's incorrect
My login was denied
So I turn it off and on again
To have another try
I got a 21" screen
The colours'll make you dizzy
My attachments are full of love for you
But your modem still rings busy (Beep beep)

you@me.com
You can unzip all my floppy files
And spin my CD-ROM

I wanna login to you
So I can prove my love is true
It's true I look quite stunning
But I've got a huge IQ
I wanna login to you
So I can prove my love is true
It's true I look quite stunning (Oh yeah you do)
But I've got a huge IQ (192)
I wanna login to you
