Raised the prices yesterday  
At the grocery store  
Reckless man hanging out front  
Always against the bard  
Can we ever solve these problems  
In our changing world  
Will our children ever get to play out in the yard

There's a new kind of world that's taking over  
It's got devils, it's got angels,  
Sitting on my shoulder  
It's a new kind of world that's taking over  
Yet no more second chances  
Ain't no turning back

Living in this epidemic, population surge  
Will the future of tomorrow, hoe what they deserve  
How much further can we go with all these spinning  
wheels  
And will my children recognize the world that we all  
build

There's a new kind of world that's taking over  
It's got devils, it's got angels,  
Sitting on my shoulder  
It's a new kind of world that's taking over  
Yet no more second chances  
Ain't no turning back 3x
