Bougainvillea, sing your song
For my lover, for my love I need, yeah
Sweet Bougainvillea

Let her wear your flowers in her hair
You will always be
Always be our love song

She was so afraid to give her heart away
Now before she even knows I hold her close to me
Sweet Bougainvillea, let her know, she's free

She was so afraid to give her heart away
Now before she even knows I hold her close to me
Sweet Bougainvillea, let her know, ah she's free
Ah, let her know, she's free
