Baby, ooh

Oh, tell me 'bout the car I saw
Parked outside your door
Tell me what you left me waiting
Two or three hours for?

Tell me why when the phone rings, baby
You're up and across the floor?
Please, don't keep me wonderin' no longer, oh

Think about the bad times
I think about yours and mine
You were lost in the silver spoon
I pulled you out in time

Well, I hope that you got reasons
For the way that you've been lyin'
Please, don't keep me wonderin' no longer, oh, oh no

I think I'm gonna go now
But you know that I'll be back
You can think it over, baby
Tell me how you're gonna act

I'm gonna keep on holding on
I don't get no stronger
Please, don't keep me wonderin' no longer, oh
No, please don't keep me wonderin' no longer, oh
And I don't and I don't and I don't
I'm never gonna love before
