The dealer sits alone in the dark  
Cigarette shines on his very last card  
Everything he had, watched it come and go  
On a gambler's roll

Cold wind blows a young girl's world apart  
She bet it all, she bet it all on the jack of hearts  
Gained her freedom but lost her soul  
On a gambler's roll, on a gambler's roll

You know the gambler he rides, rides on a fools train  
Ah tradin' silver for gold  
Oh but his luck will change  
Time takes it's toll on a gambler's roll

The dealer knows, it's just about his last game  
Not even she knows all the sorrow and pain  
As the forty-five deals the fatal blow  
On a gambler's roll, on a gambler's roll

You know the gambler he rides, rides on a fools train  
Tradin' silver for gold  
Oh but his luck will change  
Time takes it's toll on a gambler's roll, on a gambler's  
roll  
On a gambler's roll, oh

On a gambler's, gambler's roll
