I am on the prowl, baby  
Looking for someone to satisfy my needs  
Some way, somehow gonna find somebody  
To spend some time with me

I ain't looking, out forever  
For some woman to treat a good man right  
You look so good, you got me thinking  
You might satisfy my soul tonight

There's no harm done, I know you're the one  
You don't have to worry, no hurry  
The night's still young  
I'm just looking for some good clean fun

I am looking for one woman  
Ain't always tryin' to put me down  
I don't want nobody  
Givin' me that same old run around

I ain't leapin', I'm just leanin'  
Looking for that good kind thing  
I can tell by the way you're acting  
That you know exactly what I mean

There's no harm done, I know you're the one  
You don't have to worry, no hurry  
The night's still young  
I'm just looking for some good clean fun

I better slow down, don't wanna move too soon  
I'm so confused, I don't know what to do  
Please, don't think I am moving in for the kill  
But if you don't love me somebody else will

I better slow down, don't wanna move too soon  
I'm so confused, don't know what to do  
Please, don't think I am moving in for the kill  
Bit if you don't want to love me somebody else will

There's no harm done, I know you're the one  
You don't got to worry, no hurry

The night's still young  
I'm just looking for some good clean fun  
Some good clean fun, oh, baby  
Looking for some good clean fun, oh  
Looking for some good clean fun
