Ain't that low down, low down, dirty, mean
The way you've been treatin' me, beats all I've ever
seen

I loaned you my brand new car, said you was goin' for
a Sunday drive
Yeah, here it is now, four days later, I don't know if
you're dead or alive
I got on the telephone this mornin', put the word out on
the street
And I heard you was down in Memphis, with a big man
in the driver's seat

Ain't that low down, low down, dirty, mean
Ain't that low down, low down, dirty, mean
Oh, the way you've been treatin' me, beats all I've ever
seen

Got me a hidin' in the bushes, peekin' in the window
pane
Shadow moves along the wall, I know you're in there
with another man
Tried to get in the front door, went around to the back
door too
I believe you've got a side track man in there, makin'
my sweet love to you

Ain't that low down, low down, dirty, mean
Ain't that low down, low down, dirty, mean
Oh, way you've been treatin' me, beats all I've ever
seen, oh yeah

Makin' my last proclamation, gonna lay it on the line
Baby, I'm runnin' out of patience, and you are runnin'
out of time
Tired of all of your mean things, all your dirty tricks
If I ever turn on you, baby, you're gonna be in some
kind of fix

Ain't that low down, low down, dirty, mean
Ain't that low down, low down, dirty, mean
Oh, the way you've been treatin' me, beats all I've ever

seen

[Incomprehensible] low down, low down, dirty, mean

So low down, low down, so dirty, mean

Oh, way you've been treatin' me, beats all I've ever

seen

Yeah, so low down, I know, low down, dirty, mean, ah,

ooh
