Don't worry for me
Well, I'm all right
Lord, knows I'm having
A natural good time

Pocket full of money
Gonna boogie all night
There ain't nobody
Tell me that's a crime

When morning comes
And it's time to go
Pony boy, carry me home
Pony boy, carry me home

All right mama
Let me see you do that thing now

Band is jumping and so am I
I'm just groovin', can't stop movin'
My ole man's got that ole eagle eye
But he is just waitin', we're celebratin'

Morning comes
And it's time to go
Pony boy, carry me home, all right
Pony boy, carry me home

I feel a change coming on
Come on, mama
Here it comes now
Papa's with you now

Look out the door
There beside that tree
Well, that's my pony
Looking after me

Front feet doing the shuffle
Back feet, too
Blow them good old Georgia blues

Morning comes
And it's time to go
Pony boy, carry me home, yes Lord
Pony boy, carry me home

Alright Pony boy
I think it's time for me and you
To get on down on the road
Come on now, get [Incomprehensible] movin'
