"Rain"

When the rain comes
They run and hide their head
Might as well be dead
When the rain comes
When the rain comes

When the sun shines
They slip into the shade
Drink their lemonade
When the sun shines
When the sun shines

Rain, I don't mind
Shine, the weather is fine

I can show you
When it starts to rain
Everything's gonna be the same, yeah
I can show you, I can show you

Rain, I don't mind
Shine, the weather is fine
