When you can't find the light  
That got you through the cloudy days  
When the stars ain't shinin' bright  
You feel like you've lost your way  
When the candle light of home  
Burn so very far away  
Now you got to let your soul shine  
Just like my daddy used to say

He used to say soul shine, it's better than sunshine  
It's better than moonshine, damn sure, better than a  
rain  
Hey, now people don't mind, we all feel this way  
sometime  
You got to let your soul shine, shine till the break of day

I grew up thinkin' that I had it made  
Gonna make it on my own  
Life can take the strongest man  
Make him feel so alone  
Now sometimes I feel a cold wind  
Blowin' through my achin' bones  
I think back to what my daddy said  
He said "Boy, in this darkness before the dawn"

Let your soul shine, it's better than sunshine  
It's better than moonshine, damn sure, better than rain  
Yeah, now people don't mind, we all feel this way  
sometimes  
You got to let your soul shine, shine till the break of day

Sometimes a man can feel this emptiness  
Like a woman has robbed him of his very soul  
A woman too, God knows, she can feel like this  
And when your world seems cold  
You got to let your spirit take control

Talking about soul shine, it's better than sunshine  
It's better than moonshine, damn sure, better than a  
rain  
Yeah, now people don't mind, we all feel this way  
sometimes

You got to let your soul shine, shine till the break of day

Oh, it's better than sunshine, it's better than moonshine

Damn sure, better than rain

Yeah, now people don't mind, we all feel this way

sometimes

Gotta let your soul shine, shine till the break of day
