Now it could be a spoonful of diamonds  
Could be a spoonful of gold  
Just want a spoon of your precious love  
Satisfy my soul

I'm just wild about it, crazy about it  
Everybody's talking about  
Well, that spoon, that spoon, that  
Well, that spoon, that spoon, that

Now it could be spoonful of coffee  
Could be spoonful of tea  
Just want a spoon of your precious love  
That's good enough for me

I'm just wild about it, crazy about it  
Everybody's talking about  
Well, that spoon, that spoon, that  
Well, that spoon, that spoon, that

Now it could be a spoonful of water  
Shade from the desert sand  
Just one spoon of my good, good love  
Will save you from another man

I'm just wild about it, crazy about it  
Everybody's talking about  
Well, that spoon, that spoon, that  
Well, that spoon, that spoon, that
