(Chorus) Fake Smiles For Portraits
Images Of Lies
The Surface Seems Perfect
Hidden Cries
I Recall
No Signs Of Darkness
A Closer Look
Thru The Eyes Of Ignorance
Now I See
Nothing Is As It Appears
Behind Closed Doors
The Saint Disappears
(Chorus)
I Fall
In A Hole Of Disbelief
The Man Of God
Is Filled With Hate And Greed
Empty Words
Are What Im Forced To Hear
He Bears A Cross
To Make It Look Sincere
How Can A Heart So Cold Continue Beating?
