"Hi And Goodbye"

I see you walking down the street
I catch your eye before we meet
But you look down to check your feet
I wish I'd say are you okay?
You're looking better everyday
But I just smile and walk away
Why did two lovers
End up like strangers
When did we stop seeing eye to eye

Everyday you took my breath away
But now theres no reply
Only hi, goodbye
Like a dream come true
When it was me and you
Now I just don't know why
We say hi and
Hi and goodbye
(Hi and goodbye)

I know it sounds like a cliché
But when I pass our old café
It always feels like yesterday (like yesterday)
We shared a blanket in the cold
To give a promise made of gold
We had a deal through heart and soul
Why did two lovers
End up like strangers
When did we stop seeing eye to eye

I remember the way
We always had words to say
And nothing could tear us apart
I knew you by heart
We were eye to eye
Now we're only hi and goodbye
(Hi and goodbye)

Hi and goodbye (goodbye)
Hi and goodbye
Hi and goodbye (ooh ooh ooh ooh ooh)
Hi and goodbye (goodbye)
