Euro beat (Go!)

(Go!) This music makes you feel the fire and
(Go!) This ray is beamin' me right to the top
(Go!) Just move your head and get me higher and
(Go!) Tonight it's only me and you

I need to touch your body, touch your body girl.
I don't want talk about it, talk about it now.
I need to move my body, move my body,
Please come wait for me.

Euro beat (Go!)
Let's make a sparkling ride
To the beat (Go!)
We've got to move your head.
Euro beat (Go!)
This is the night, so come
Move your feet (Go!)
We've got to have some fun.

Euro beat (Go!)
Let's make a sparkling ride
To the beat (Go!)
We've got to move your head.
Euro beat (Go!)
This is the night, so come
Move your feet (Go!)
We've got to have some fun.
