Well take me down
I'm on the ceiling
On the ceiling, yeah

Take me down
I've got the feeling
Got the feeling

Here we go,
I'm gonna get slapped by Moe
Slapped by Moe
(But not this time)

Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha
Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha

Knucklehead's revenge

My shovel's swinging
And I'm oblivious
Of the pain that I'm bringing
But of the three of us
You are sadistic
It's no picnic to be working with you

But now I'm the dynamite
And Moe you're just lighting the fuse

Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha
Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha

How, how'd I getcha?
Hey! He I no, you really think I'd letcha!
Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha

I've got a ratchet
I'll attach it to the end of your nose

And then I'll smash it with a hammer
As I'm kickin and throw you down the stairs
My cares are spinning on the floor, dancing away
Yeah, me and Curly have been waiting and planning
this
Day

You broke my back with a two by four and
You cracked my skull with the bathroom door
You ran me over with the company car
You poked me in the sternum with an iron crow bar
But oh, oh no well now it ain't no fun
We've been your stooges and we're finally done
So, nyuk nyuk nyuk have you realized
Your time has come, we're gonna moitalize ya.

Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha
Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha

How, how'd I getcha?
Hey! Hell no, you really think I'd letcha!
Pow! Pow! I gotcha
Hey! Hey moe you didn't think I'd getcha

How they run
How they run
And you'll see how they run
How they run
How they run
And you'll see how they run
