I believe in all the lovely things they ever told me,  
It was Summer for the Rose  
Sand the glory and the power, ever open like a flower  
Summer never goes  
Came and bowed in ceremony with the burning body

I loved my brother  
Came to reverence my Maker, put a candle to the altar  
I loved my Brother  
'Kyrie eleison', I am of the Fall  
'Kyrie eleison', I have done it all  
Bowed my will to serve the Spirit,  
Searching for the Beauty in it  
Summer never goes  
Modelled all my lifetime on the goodness  
And the beauty that were Colouring the Rose  
Came and bowed the knee in ceremony  
With the burning body  
I loved my Brother  
Came to reverence my Maker, put a candle to the altar  
I love my Brother  
I loved my Brother  
'Kyrie eleison', I am of the Fall  
'Kyrie eleison', I have done it all

Love for my Brother  
I had love for my Brother  
Love for my brother  
I had love for my Brother

Time would hang upon my hand and catch me  
At my every thought Colouring the Rose  
Gentleness lay round about and moved around  
My counting house Summer for the Rose  
Came and bowed the knee in ceremony  
With the burning body  
I loved my Brother  
Came to reverence my Maker, put a candle to the altar  
I love my Brother  
I loved my Brother  
'Kyrie eleison', I am of the Fall  
'Kyrie eleison', I have done it all

Love for my Brother  
I had love for my Brother  
Love for my brother  
I had love for my Brother

Kyrie eleison, I am of the Fall  
Kyrie eleison, I have done it all  
Kyrie eleison, I am of the Fall
