I was combin the corner
I was shoutin my style
I was blowin my horner
I was runnin my miles
I was stumblin the sidewalks
I was strickin a match
I was checkin my dame
Put the key to the latch
Didn't flinch or nod
cause my head is too thick
Well I was lookin at and got hit by a brick

Go ahead pop your gun
Go ahead pout your lips
Say the heat of the sun
Has really got you whipped
Go ahead use your charms
Go ahead shake those hips
Call the ambulance quick
Cause I've been hit by a brick

I was hit by a brick
Didn't flinch or nod
Like a nail to the head
I was comin down hard

I was pushin up daisies
Saw the stars in my head
Yeah my vision was hazy
Must repeat what I said
I didn't blink or stutter
While takin my licks
I was checkin you out
And got hit by a brick

I was hit by a brick
Didn't flinch or nod
Like a nail to the head
I was comin down hard
Didn't flinch or nod
Cause my head is too thick
Well I was lookin at you I got hit by a brick

I was hit by a brick
I was comin down hard
I was hit by a brick
Didn't flinch or nod
Hit by a brick yeah
Hit by a brick yeah
Hit by a brick yeah
Hit by a brick yeah yeah yeah
