It's really windy today
Are you ready or not for fly
We set out to reach
The summit of a mountain
Are you ready or not for fly
The snow board season has come!
Here's our chance!
Catch the orion

He gave marvelous trick on the air
Let's give him a big big hand
I lost my position
When I've been kicked in the face
Please give me a big big hand
The snow board season has come!
Here's our chance!
Catch the orion

Go Dark cherries move on
We go pride and friendship move your body
Go Dark cherries move on
Over the sky-high mountain
We go fighting spirits

Sometime pray to God for help
Everybody wanna get the glory
Sometime smoke a cigar on the summit
Everybody wanna get the glory
The snow board season has come!
Here's our chance!
Catch the orion

I wish I were bird
We wish we were bird
