{Whoo-oooh Goooo...}

Hands up and dont you make a sound
Shotgun is pointed at me now
It just might blow me away

So here's all I have, it isnt much but please
All I ask is let me walk away
Just then I thought I heard the sound

I never had this feeling so cold
I stood there freezing and waiting
I never had this feeling so cold
It seems too easy, it seems too easy to be gone

Hands out before I kiss the ground
Shotgun still pointed at me now
Ready to blow me away

And I dont think I will make it home tonight
Dont think I will make it out alive
That's when I then I thought I heard the sound

I never had this feeling so cold
I stood there freezing and waiting
I never had this feeling so cold
It seemed too easy, it seemed too easy to be gone

Each night I dream it all again
Steel barrel up against my head
Each night I never get away
Shots fired, shots fired, shots

If the light should take me
Then tonight Ill be free

I never had this feeling so cold
I stood there freezing and waiting
I never had this feeling so cold
It seemed to easy, it seemed to easy to be gone

Im blessed by a nightmare nightly

And when I'm dying it reminds me
I grab the air now and hold it tightly
Remember everything I love, then I'm gone
