I'm protecting and reflecting desire for you,
to come into my life.
The race existing will out-shine them all,
for me and you to get along.

CHORUS

it' like I'm running away with the wind in my face,
it's like I'm flying, flying.
And you and i are open wide. X2

wah ah, wah ah ahhhhhh.
wah ah, wah ah ahhhhhh
wah ah, wah ah ahhhhhh

I'm just so excited, delighted today,
'cause you decided to be in my life.

it's like I'm running away with the wind in my face,
it's like I'm flying, flying.
And you and i are open wide. X2

wah ah, wah ah ahhhhhh
wah ah, wah ah ahhhhhh
wah ah, wah ah ahhhhhh
wah ah, wah ah ahhhhhh
wah ah, wah ah ahhhhhh

i get around the world upon you freeways
it's true, when you let it go. 2x
