She said goodnight to all the lights that made her
seem to glow
Her hair parades for him to stay but he decides to go
He makes his way in subtle plays, some times he says,
hello
It takes him days to move her way, she knows it's time
to go

'Cause time doesn't go along the way now
She sits right down to find the one man show
It's a beautiful day, it's time to leave, somebody

The house is bold and so much colder than nights
they'd ever know
She bends her knees and tries to scream and says it's
time to go
She moves her lips her words are gifts he stares as she
lets go
And trades a space for her new place in a world she
wants to know

'Cause time doesn't go along the way now
She sits right down
'Cause time doesn't go along the way now
She sits right down to find the one man show
It's a beautiful day, it's time to leave somebody

It means a lot to find it so easy
It takes a lot to find yourself way down
It means a lot to find it so easy
And it takes a lot to find yourself way down

Easy
Takes a lot to find yourself way down
Means a lot to find it so easy
Takes a lot to find yourself way down
