Light and day
Is more than you'll say
'Cause all my feelings are more
Than I can let by or not

More than you've got
Just follow the day
Follow the day
And reach for the sun

You don't see me fly into the red
One more you're done
Just follow the seasons
And find the time
Reach for the bright side

You don't see me fly into the red
One more you're nuts
Just follow the day
Follow the day
And reach for the sun

Just follow the day
Follow the day
And reach for the sun

You don't see me fly into the red
One more you're done
Just follow the seasons
And find the time
Reach for the bright side

You don't see me fly into the red
One more you're nuts
Just follow the day
Follow the day
And reach for the sun

Just follow the day
Follow the day
And reach for the sun

Just follow the day
Follow the day
And reach for the sun
