We try, we crawl
We live, we're small

We're stuck in a Monday
It's telling me Sunday
We're gonna be fine

I know it's all moving
Can't tell if I'm losing
The love of my life

We try, we crawl
We live, we're small

I know that we're broken
It's been unspoken
For such a long a time

It's scarier weather
Remember together
I know that we'll be just fine

We try to crawl
To live, to grow

On our way today
Day after day
We try hard, we cry far

On our way today
Day after day

I know that it's better
We missed it together
Our love isn't right

Through ups and downs
Of facing each other
Together we're better
Together we're fine

We try to crawl

(We're together)
To live, to grow
(We're together)
