Verse 1:
If You were a road
I'd learn every turn til I
Could find my way with my eyes closed
If You were a song
I'd sing along til I
Knew every word and every note

But you were everything to me
A mystery
Your the Love I live to see

Chorus:
By heart, by soul
Thats how I want to know You
Keep you as close as
Breath is to life
Wanna watch Your Love unfold
By heart, by soul

Verse 2:
If You were a place
I'd stay my whole life til I
Had every corner memorized
And if You were a star
I'f follow You home, You would be
The Light that is my only guide

You were everything to me
My A to Z
Your the Love thats lives in me

Bridge:
I wanna know You inside and out
Better than I even know myself

If You were a star
I'd follow You home by heart
By soul
